## 88 STATE CIRCLE, ANNAPOLIS, MARYLAND

- Removed damaged mortar
- Applied historically correct lime mortar
- Patched damaged brick

88 State Circle was built in the late 1800s by politician Alexander Randall. Durable Restoration removed the improper mortar and applied historically accurate lime mortar. In addition, we cut the mortar joint profile to match the original historic bricks.

# OUR AWARDS

We endeavor to provide the highest quality work, with obsessive attention to detail and a commitment to business integrity. Our achievements are often recognized by leading organizations and roofing experts. Here are a few of our favorites.

- 2021 North American Copper in Architecture
- 2021 Gold Circle Award
- 2020 Gold Circle Award
- 2019 International Federation for the Roofing Trade
- 2019 North American Copper in Architecture
- 2014 Tampa Preservation Award
- 2011 Florida Preservation Trust

## EVANGELICAL LUTHERAN, FREDERICK, MARYLAND

- Recoated existing facade
- Repaired and repaint wood details
- Restored handicap ramp

Built in the late 1700s, Evangelical Lutheran has been a community mainstay, and even served as a hospital during the Civil War. It is presently undergoing plaster repair throughout and masonry repair within its steeples.
